

Liberty Solo is an ergonomically designed battery-powered, portable CCTV with a 12" TFT screen. With its tiltable display and light-weight mouse camera, you can easily choose a comfortable reading position. Handwriting is also facilitated with the mouse stand supplied. Liberty Solo's portability makes it ideal for use in professional or educational environments.

FUNCTIONS

Modes: Full colour, enhanced positive and negative reading modes, and also a range of semi colours. These are controlled by ergonomic buttons on the mouse unit. Preferred reading modes are stored for ease of use.

Magnification: 12" High Brightness display with zoom range up to 40X.

Overview mode: Unique capability to assist with handwriting and distance viewing.

Battery: Easily accessible and exchangeable second battery supplied.

Adjustable **line markers** and blanking facilitate the ease of reading.

Handwriting stand supplied to facilitate the ease of writing.

User preferences in various modes are saved.

Rucksack carry case for mobility.

Distance camera option available.
